Zaiba, the grand ballroom, is one of the largest in Oman and can accommodate up to 450 guests in theatre style. It is highly adaptable with partitions to work with any number of guests in any seating or standing format. Outside Zaiba is a pre-function space that spills out to the outdoor area if required and has views across the water features in the courtyard.

The Sacra function room is perfect for smaller groups of 130 guests who need a theatre style for group meetings, conferences or gatherings. Each area can be catered by the hotel's catering team.
